

## Enrollment in a school in Leuven for next schoolyear (2017-2018)

Does your child have a brother or sister that you want to enroll in our school and that is **born in 2015** or does your child have an older brother or sister that you also want to enroll in our school? **You have priority to register between Tuesday 10<sup>th</sup> of January until Tuesday 24<sup>th</sup> of January 2017. It's very important to use this priority.**

Go to the website <https://meldjeaan.leuven.be> or ask for help in the school to register. You first have to register, on Monday 20<sup>th</sup> of February you will receive a message and if there is place then you can go to inscribe at the school between Tuesday 7<sup>th</sup> of March and Tuesday 28<sup>th</sup> of March 2017.

If you want to enroll your child in our school, then **you have to fill in the attached coupon**. Then we know how many brothers and sister we can expect and who needs help to register.

Are you looking for another school in Leuven due to relocation,... then you also have to register via the website <https://meldjeaan.leuven.be> from Tuesday 7<sup>th</sup> of March until Tuesday 28<sup>th</sup> of March 2017.

If your child want to stay in our school, you don't have to do anything not even when your toddler is going to the first grade.

Best regards,
